Knightsbridge Gate Provides Exceptional Value

Sometimes what you get exceeds what you pay for. Home owners at Knightsbridge Gate, a new home community in Novi, know exactly how that feels.

Building companies Hunter Pasteur Homes, JC Development, and Winnick Homes jointly developed Knightsbridge Gate, which is located at Grand River Avenue and Napier Road in Novi. The community encompasses nearly 350 single-family home units that are available in 11 different floor plans, ranging from 1,900 to 2,900 square feet. With prices from \$270,000 to \$344,000, Knightsbridge Gate provides unprecedented value for new construction in western Oakland County.

“Knightsbridge Gate is poised to become a premier community in western Oakland County,” said Randy Wertheimer of Hunter Pasteur Homes. “The combination of well-appointed homes, competitive prices, and an outstanding location make Knightsbridge Gate the ideal choice for families.”

The 150-acre development in uptown Novi, includes a nature preserve, several park areas, tree lined streets with sidewalks and a community clubhouse with a pool. Knightsbridge Gate offers close proximity to Novi attractions, including Twelve Oaks Mall, Fountain Walk, and Novi Town Center, the Novi Civic Center, library and ice arena, numerous golf courses and Kensington Metro Park. Children living in Knightsbridge Gate will attend the highly regarded and sought-after South Lyon School District.
